

THE NETWORK

NETWORK ENROLLMENT AGREEMENT

Nontank Vessel

PART I

- A. Alaska Maritime Prevention & Response Network (Network) is a nonprofit Alaska business entity formed for the purpose of providing vessel owners with the opportunity for regulatory compliance through Alternative Planning Criteria for Nontank Vessels developed by the Network and approved by the United States Coast Guard (Network NTV APC).
- B. The NTV APC is applicable to nontank vessels which transit or trade in Western Alaska and/or Prince William Sound USCG Captain of the Port Zones. Enrollment of a nontank vessel in the Network NTV APC will allow the vessel owner/operator and the vessel (collectively, Planholder) to comply with the Code of Regulations, Title 33, Chapter 155, Subpart J, Nontank Vessel Response Plans.
- C. Planholder wishes to utilize the Network NTV APC for regulatory compliance purposes for all of Planholders nontank vessels and to remit applicable enrollment fees for each vessel when it transits or trades in the area covered by the Network NTV APC.

PART I

REQUIRED ENROLLMENT INFORMATION AND APPLICATION

Operator Particulars/Contact Information
